Annual Family Grants 2024

Dear Colleague,

I write to let you know about the Annual Family Grants available from this charity to all the ministers licensed in the Diocese, whether Stipendiary or Self Supporting Ministers. These grants are subject to a "do it yourself" means test. The limits, which refer to the combined incomes of minister and spouse/civil partner, are reviewed each year.

Clothing Grants will be paid in July if applications are received by 30th June.

The Charity expects to pay all other grants in October, subject to the agreement of the Charity's governing body.

The Final CLOSING DATE for ALL GRANT APPLICATIONS is 31ST AUGUST.

Application forms are distributed via Area Deans and can also be downloaded from the Charity's website.

The value of the grants may be increased or decreased according to the number of applications received in relation to the cash available. So, it is essential to meet the application deadline.

The grant values quoted are simply a guide.

Please remember that it is not possible to guarantee to maintain a particular level.
